

Geotechnica 2027

THE UK'S PREMIER GEOTECHNICAL,
GEOTHERMAL & WATERWELL EVENT

7TH & 8TH
JULY 2027

HOSTED BY

ORGANISED BY

SPONSORSHIP AND EXHIBITION PACKAGES

OVERVIEW

Geotechnica brings together the people, products and ideas shaping the UK's geotechnical, geothermal, waterwell and ground investigation sectors.

Across two days at the Warwickshire Event Centre, contractors, consultants, clients, suppliers, manufacturers and other specialists come together to communicate, promote, network and learn.

NEW FOR 2027: MORE CHOICE, MORE VALUE

For 2027, we've changed the way sponsorship of Geotechnica works.

Rather than locking exhibitors into fixed sponsorship tiers like Platinum, Gold, Silver and Bronze, companies can now choose the exhibition space that suits them, add Event Partner status for greater event-wide recognition, and select individual sponsorship opportunities that deliver the most value to them.

The result is a more flexible structure that gives participating companies greater control over where their money is spent, while creating more opportunities for brand recognition before and during the event.

SIGN UP TO EXHIBIT

Choose the stand or outdoor space that suits your needs.

BECOME AN EVENT PARTNER

Increase your event-wide visibility with a small uplift.

SPONSOR SOMETHING SPECIFIC

Own a part of Geotechnica: Conference, coffee, etc.

 1ST JANUARY 2027

BECOME A GEOTECHNICAL EVENT PARTNER

For 2027, we have simplified the way companies can support Geotechnica.

Rather than choosing from a fixed sponsorship tier, every exhibitor can add Event Partner status to their chosen exhibition package for a small fixed uplift.

Event Partnership is designed for companies that want their involvement in Geotechnica to extend beyond their stand. It gives your brand a more prominent presence across the event website and programme, helping visitors recognise your company before they arrive and find you more easily once they are at the event.

Event Partners are clearly distinguished from standard exhibitors throughout Geotechnica's promotional materials, while still retaining the freedom to add any of the individual sponsorship or promotional opportunities available elsewhere in this brochure.

EVENT PARTNER BENEFITS

- Logo displayed within the Event Partner banner across every page of the Geotechnica website
- Priority position on the website Exhibitors page
- Priority position within the Event Programme exhibitor directory
- Logo featured within the dedicated Event Partners section on the opening page of the Event Programme
- Event Partner designation alongside your company listing
- Inclusion in general Event Partner acknowledgements before and during the event

£250 ^{+ VAT} in addition to any exhibition package

**LIMITED
PACKAGES
AVAILABLE**

*this package does not include individual print adverts in the Event Programme

THE GEOTECHNICA PASSPORT

The Geotechnica Passport is a new visitor challenge designed to encourage attendees to explore more of the exhibition, visit participating stands and engage directly with exhibitors.

Visitors will be invited to complete a series of simple challenges located around the event. Each challenge will be hosted by a Passport Partner, meaning participants must visit your stand and interact with your team in order to complete that stage of their Passport. On completion of a task, the Partner will stamp the visitor's Passport with their own custom branded stamp (provided by us to participating Partners). Each Passport can only be stamped once by each Partner.

What the challenges are? That's up to you! It might involve answering a technical question, identifying a piece of equipment or soil sample, completing a short activity or game, watching a demonstration or learning something about a product or service.

Once visitors have completed the required number of challenges, they will return their Passport to us and be entered into a prize draw to win a substantial bundle of site equipment, workwear, tools, vouchers, software access and other prizes contributed by participating companies.

BECOME A PASSPORT PARTNER

As a Passport Partner, your stand becomes an official stop on the Geotechnica Passport route.

That means guaranteed visitors to your stand, so you can start a conversation and spend time engaging with potential customers.

Passport Partners receive:

- One official Passport challenge hosted on their exhibition stand
- Inclusion on the Geotechnica Passport and challenge route
- Logo inclusion across Passport promotional material
- Pre-event promotion as an official Passport Partner
- Inclusion in Event Programme and website Passport information
- Recognition within promotion of the overall prize bundle
- Guaranteed direct visitor engagement throughout the event

Passport Partners will also be asked to contribute a prize or prize value of at least £100 towards the overall Geotechnica Passport prize bundle.

£750 + VAT in addition to any exhibition package

**ONLY 6
PACKAGES
AVAILABLE**

MUST BE AN EVENT PARTNER TO BE ELIGIBLE

THE PRIZE BUNDLE

Example prizes may include: Workwear, boots, gloves, tools, site equipment, training, software access and practical site kit, plus fun additions such as LEGO, vouchers and other prizes. The aim is a bundle worth several thousand pounds, contributed by participating exhibitors.

OWN A KEY PART OF GEOTECHNICA

For 2027, a number of key Geotechnica features and visitor touchpoints are available to sponsor individually, from registration and refreshments to Wi-Fi, the Event Map and the Networking Dinner. Each opportunity is designed to give your brand a clear and relevant presence at the event, while associating your company with something visitors will actually use, see or experience. Choose the opportunity that best fits your audience, your objectives and your budget, and increase your presence at Geotechnica in 2027.

CONFERENCE SESSIONS

Exclusive sponsorship of one of the conference sessions. Logo inclusion on the conference screen surround, as well as all listings (online and in print) for the session. Formal acknowledgement from the session chair as part of their introductions.

£500 ^{VAT} in addition to any exhibition package

MUST BE AN EVENT PARTNER TO BE ELIGIBLE

NETWORKING DINNER (EXCLUSIVE)

Exclusive sponsorship of the evening Networking Dinner and drinks reception. Includes table / venue branding and formal acknowledgement, as well as the opportunity for you to address the attendees with a short sales speech.

£1750 ^{VAT} in addition to any exhibition package

MUST BE AN EVENT PARTNER TO BE ELIGIBLE

VISITOR BAGS

Your logo appears prominently on every official Geotechnica visitor bag, putting your brand directly into attendees' hands and providing visibility throughout both event days, around the venue and after they leave.

£500 ^{VAT} in addition to any exhibition package

MUST BE AN EVENT PARTNER TO BE ELIGIBLE

LANYARD & BADGE (EXCLUSIVE)

Your logo appears on every event lanyard and attendee badge, giving your brand repeated visibility across the exhibition halls, outdoor areas, conference sessions and networking activity throughout both days of Geotechnica.

£750 ^{VAT} in addition to any exhibition package

MUST BE AN EVENT PARTNER TO BE ELIGIBLE

OTHER SPONSORSHIP

Geotechnica offers a range of sponsorship opportunities designed to put your brand directly in front of visitors while the event is taking place. From coffee and breakfast to maps, WiFi and ice cream, these opportunities give your company repeated exposure throughout the day.

They are designed to help sponsors become part of the event attendees a clear reason to notice, remember and associate your brand with something they have actually used or enjoyed during their visit.

EVENT MAP Logo visibility on the map visitors use throughout the event: Website map, printed programme maps and the large You Are Here board. £250 + VAT in addition to any exhibition package MUST BE AN EVENT PARTNER TO BE ELIGIBLE	EVENT PROGRAMME COVER Sponsor branding on the front cover of every printed and digital programme, plus official programme-sponsor recognition online and in pre-event social media campaigns sharing the programme. £500 + VAT in addition to any exhibition package MUST BE AN EVENT PARTNER TO BE ELIGIBLE	WI-FI “Geotechnica Wi-Fi powered by...” branding across venue signage, programme / map recognition and login / splash-page branding where technically possible. £100 + VAT in addition to any exhibition package MUST BE AN EVENT PARTNER TO BE ELIGIBLE	
ARRIVAL & REGISTRATION Make an immediate impact with your branding around registration, welcome signage and entrance wall graphics. £1000 + VAT in addition to any exhibition package MUST BE AN EVENT PARTNER TO BE ELIGIBLE	COFFEE Branded coffee cups throughout the venue, and free coffee vouchers for you to distribute on your exhibition stand £1000 + VAT in addition to any exhibition package MUST BE AN EVENT PARTNER TO BE ELIGIBLE	BREAKFAST ROLLS Free breakfast rolls vouchers for you to distribute to visitors, with sponsor branding and service-point recognition, directing visitors to your stand. £1000 + VAT in addition to any exhibition package MUST BE AN EVENT PARTNER TO BE ELIGIBLE	ICE CREAM Free vouchers for a 99 or an ice lolly for you to distribute to visitors, with sponsor branding and service-point recognition, directing visitors to your stand. £250 + VAT in addition to any exhibition package MUST BE AN EVENT PARTNER TO BE ELIGIBLE

PRE-EVENT PROMOTION & ADVERTISING

You don't have to exhibit at Geotechnica to put your brand in front of its audience. A limited range of promotional opportunities are available to both exhibitors and non-exhibiting companies, providing a simple way to increase brand exposure before and during the event.

Choose from website banner advertising, Event Programme advertising and inserts within visitor bags, whether you're looking to support your presence at Geotechnica or reach attendees without taking exhibition space.

WEBSITE ADVERTISING	Prominent banner / carousel placement on the Geotechnica website with integrated URL.	£450 VAT +
PROGRAMME - FULL PAGE ADVERT	Promote your company with a full-page advert in the printed Event Programme.	£550 VAT +
PROGRAMME - HALF PAGE ADVERT	Promote your company with a half-page advert in the printed Event Programme.	£350 VAT +
PROGRAMME - QUARTER PAGE ADVERT	Promote your company with a quarter-page advert in the printed Event Programme.	£225 VAT +
VISITOR BAG INSERT - A4	Provide us with an A4-sized flyer / brochure and we will place it into every single visitor bag.	£400 VAT +
VISITOR BAG INSERT - A5	Provide us with an A5-sized flyer / brochure and we will place it into every single visitor bag.	£300 VAT +

MULTI-PACKAGE DISCOUNTS

Planning to take more than one sponsorship opportunity? Package discounts are available for companies combining multiple sponsorship options. If you opt for two or more sponsorship packages, you may be eligible for up to 50% in discounts (dependant on which packages are selected).

Choose the opportunities that best suit your objectives and speak to us about creating a tailored package with preferential pricing.

WHEN AND WHERE?

Geotechnica 2027 will be held at the Warwickshire Event Centre on July 7th and 8th 2027.

The Warwickshire Event Centre (WEC) a dedicated conference and exhibition centre situated on the B4455 (Fosse Way) just outside of Royal Leamington Spa. It is centrally located within the Midlands and enjoys easy access to roads, trains and airports. To date they have hosted over 130 events including successful exhibitions, product launches, fairs, clothing sales, auctions, animal shows, staff training events and more.

WEC is owned and managed by Meridienne Exhibitions Ltd, a company with 40 years' experience of event management.
